

Tired of voting for the
LESSER OF TWO EVILS?
Democrat or Republican?

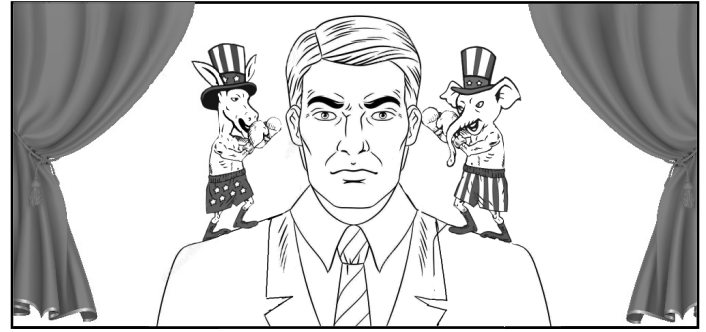

When you vote for either party, you are voting for a *system* which has allowed:

- 2.4 million illegal aliens into the US in 2023
—Total of 16.8 million illegals in the US
- Significant increases in crime nationally
—14% increase in property crime since last year
- National deficit of \$1.7 Trillion
—\$78.3 Billion sent to Ukraine this year alone
- US ranks below 30 other industrialized countries in math scores as failing schools cost more and provide less
- 7.5% mortgage rate has killed the dream of buying a home for most young people

We vote and everything stays the same, or gets worse.
The definition of insanity is doing the same thing over and over again and expecting a different result.

It is time for real change.
